An Invitation to the VT/NH Maintenance Workshop

The Vermont Recreation and Parks Association, New Hampshire Recreation and Parks Association and the New England Sports Turf Managers Association invite you to attend the 2017 Maintenance Workshop.

The entire morning is dedicated to on-and-off-field educational sessions, vendors and equipment demos at the CCBA's Witherell Recreation Center and Eldridge Memorial Park. After the morning sessions we will enjoy lunch at the CCBA's Witherell Recreation Center, followed by several roundtable discussions. Meet people from around the region who work in park and school settings. Attendees will walk away with specific resources and tools to apply within your organization and community.

The workshop will be held rain or shine so please check the weather and plan to dress in layers and bring an umbrella.

VT/NH
